Levels of Child Care Regulation for the State of Wisconsin

Provisional & Regular Certified Family Child Care Providers: May care for up to 6 children (actual number will depend on the number of children under age 2). Sudden Infant Death Syndrome and Shaken Baby Syndrome Risk Reduction Trainings are required if the provider is caring for children under 5 years of age.

Regular Certified Family Child Care Providers are required to have at least 2 credits of early childhood training or non-credit department approved training prior to regular certification.

Licensed Family Child Care Provider: May care for up to 8 children (actual number will depend on the number of children under age 2). At least 3 credit hours of broad-based early childhood training or a non-credit course in caring for children approved by the department before receiving a license or working with children. Infant and Child CPR/AED is also required.

Frequently Asked Questions

How old must I be to provide regulated child care?
For any level of regulation, you must be at least 18 years old.

Do I need to take the Sudden Infant Death Syndrome (SIDS) Risk Reduction & Shaken Baby Syndrome (SBS) class?
Yes, Regulated Providers must complete this training, if providing care for children younger than age 5.

Do I need to take any additional classes?
Regular Certified and Licensed Providers are required to have minimal continuing education. Many options are available.

Who needs to have the background screening?
All residents in the home, age 12 or older, must have a background screening.

Do I need a fenced play yard?
No, a fenced play area is not ALWAYS required. It is recommended.

Do I need a written contract?
Yes, all levels of regulation require written contract. Samples are available at CCR&R.
